KNOW

Santa Barbara Wildlife Care Network is a nonprofit, volunteer organization that rescues and rehabilitates injured and orphaned birds, mammals and reptile right here in Santa Barbara County. We are licensed by the United States Fish and Wildlife Service and California Department of Fish and Wildlife. We are committed to helping the public live peacefully with wild animals. We continue to share our knowledge and passion with various community groups, clubs, class rooms and senior living centers. Contact us today to set up a presentation with one of our wild life care experts at sbwcn.org
